Re: Application of NA Communications, Inc. for a Certificate of Convenience and Necessity to Provide Facilities-Based and Resold Local Exchange, Exchange Access and Interexchange Telecommunications Services Throughout the State of Tennessee/Supplemental Filing

Dear Mr. Waddell:

As requested in our motion and discussed with you earlier this week, we are requesting that a pre-hearing conference be held *en banc* on Tuesday, July 27, 1999, immediately following the Authority Conference, to decide our motion in limine. Per your advice, this letter confirms that request. We would like all directors in attendance at this pre-hearing conference so that the motion may be finally disposed of prior to the hearing on NA Communication's application, which is set for Wednesday, July 28, 1999.

Please advise as soon as you know if the scheduling of this pre-hearing conference, with the attendance of all directors, is possible. Due to the need for our client to make travel plans, we request that you notify us by early Monday morning, if possible. Once again, we greatly appreciate your help in this matter.

Sincerely,

D. Billye Sanders
